

# Usage Rates

Every business is different — some lean on calls and email, others on AI. You’re only billed for what you use, with no need for subscriptions to multiple tools.

| FEATURE                         | CHARGE                     | \$10 GETS YOU ABOUT  |
|---------------------------------|----------------------------|----------------------|
| Phone & Messaging               |                            |                      |
| Phone – Making Calls            | \$0.0182 / min             | ~550 min             |
| Phone – Receiving Calls         | \$0.0111 / min             | ~900 min             |
| SMS / Text Messages             | \$0.0108 / segment         | ~925 segments        |
| Email Sending                   | \$0.0009 / email           | ~11,110 emails       |
| Email Verification              | \$0.0033 / verification    | ~3,030 verifications |
| WhatsApp                        | \$0.0962 / usage           | ~105 uses            |
| Domain Purchase                 | \$13 / domain (flat)       | —                    |
| AI & Automation Features        |                            |                      |
| Content AI – Words              | \$0.117 / 1,000 words      | ~85,470 words        |
| Content AI – Images             | \$0.078 / image            | ~130 images          |
| Conversation AI                 | \$0.026 / message          | ~385 messages        |
| Voice AI                        | \$0.169 / min              | ~60 min              |
| Reviews AI                      | \$0.013 / review response  | ~770 responses       |
| Funnel AI                       | \$1.287 / funnelAI         | ~10 funnelAI         |
| Agent Studio                    | \$0.325 / 750,000 words    | ~23,076,923 words    |
| Ask AI                          | \$2.743 / 1,000,000 tokens | ~3,645,645 tokens    |
| AI Studio                       | \$2.743 / 1,000,000 tokens | ~3,645,645 tokens    |
| Workflows                       |                            |                      |
| Workflow – Premium Features     | \$0.013 / execution        | ~770 executions      |
